New Styles in Mens' Womens' & Childrens' Shoes.

Correct In Style

These have the air of the Custom-made variety; style, finish, workmanship—all bear out the similarity. They are really fine shoes at a modest price and will appeal on both counts to people who dress carefully. Like all other standard lines of The Morrison Bros.' store they represent more actual value, compared with other makes, than the price warrants. In other words they are not to be matched elsewhere.

A multitude of good, new styles Two-fifty to Five dollars. The makes are

Save One-third The Labor
In the Spring rests the secret. What's the use in working so hard when the same results can be accomplished with a third less labor? Save time and effort by dividing the work, doing half at each stroke of the handle instead of doing all at one stroke, and meanwhile be working against only one-half the pressure indicated on the gauge. Magic pumps are built in two sizes and have non-clogging ball valves. It is worth your while to see one in operation.

We have samples of these pumps in stock and will be pleased to show them to you.

SATURDAYS PROCEEDINGS OF FARMERS' INSTITUTE.

(Continued from Page One.)

Bremond, asked to be relieved of office, owing to pressure of business. Col. Baker was nominated for president, but made a speech in rebuttal to Mr. Bremond's remarks, nominating Mr. Bremond to succeed himself as president. The nomination was seconded and went through by a unanimous vote. All the other old officers were elected, as follows: Vice President, J. C. Hamilton; Secretary, Robert Beers; Treasurer, Edward Ellis; Executive Committee, John Shaw and W. M. Atkinson. It was decided that the society needed a librarian, and R. S. Cook was elected to fill the office.

After this many new members were taken in, and after John B. Gill had exhibited a box of apples, showing the good results when apples are properly packed and wrapped in paper, the apples were sampled by the entire society and found to be in perfectly sound condition.

See that the next cough remedy you buy is wrapped like this.

Chamberlain's Cough Remedy has had thirty-five years of sale and use, and has cured coughs and colds under all conditions, in all countries and climates, and the verdict today is that it has no equal.

A GOOD NAME

EVERY one desires to establish for himself a good name, but it takes time to win the confidence of your fellow men. Truth and perseverance are the alternate rungs on the ladder of success, and he who reaches the top must make no false step.

There are hundreds of cough medicines with all sorts of names, each claiming to be the best, but the test of time will prove whether or not they have established the right to be called the best.

Careful selection of the drugs, intelligent and skillful compounding, the entire absence of opium, chloroform, or any other harmful ingredient, and the absolute purity of every article that goes into its composition, has built up and sustained its good name.

These are the things you should remember, and the next time you want a cough medicine, it is worth while to see that you get Chamberlain's and secure the virtues which a good name implies.

Every dealer who sells a bottle of Chamberlain's Cough Remedy guarantees it to give satisfaction or he will refund the money.
